

SASKTEL BUSINESS SHAREMORE PLANS

STAY CONNECTED TO YOUR OFFICE, WORKFORCE, AND CUSTOMERS

With an increasing global workforce and customer base, staying connected is more important than ever. Your business can benefit from the flexible, competitively priced wireless plans built for your business needs as well as each user on your team.

Each device on your account can be on a different voice plan, so you can choose the voice option that makes the most sense for each user. Then, choose a data bucket to meet the usage needs of a single user or share a data bucket among multiple users.

Step 1: Choose a voice plan for each unit on your account.
